

TRAFFIC SIGNAL CONTROLLER BOXES ART PROJECT

City Council Meeting - March 12, 2019

Adopt Resolution Authorizing Art to be Adhered to Three Traffic Signal Controller Boxes
at Various Locations in San Bruno

Joanne Magrini, Community Services Director
Tim Wallace, Community Services Superintendent

BACKGROUND

- Culture and Arts Commission Embarked on Traffic Signal Controller Boxes Art Project in 2016
- Six Boxes Selected
- Theme Assigned to Each Box
- Commission Voted in 2017 to Vinyl Wrap Art on Boxes
 - Vinyl Life Span 6-8 Years
 - Paint Life Span 3-4 Years
- Following Three Separate RFPs in 2018, Designs Were Selected for all Six Boxes

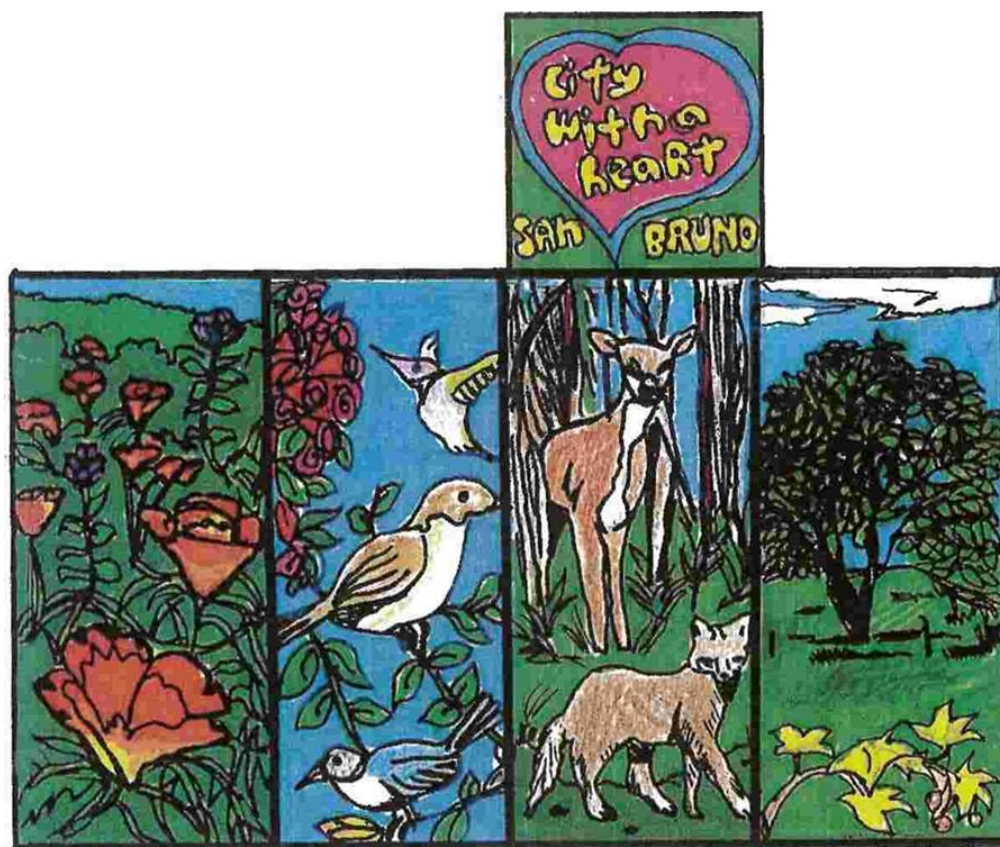

CALTRANS BOXES AND CITY BOXES

- Three of Six Boxes Owned by CalTrans
- CalTrans Permitting Process Complicated and Lengthy
- Move Forward with City Owned Boxes
- Address CalTrans Boxes After City Boxes
- City Boxes Have Themes: Nature, History, and High-Tech

THEME: NATURE

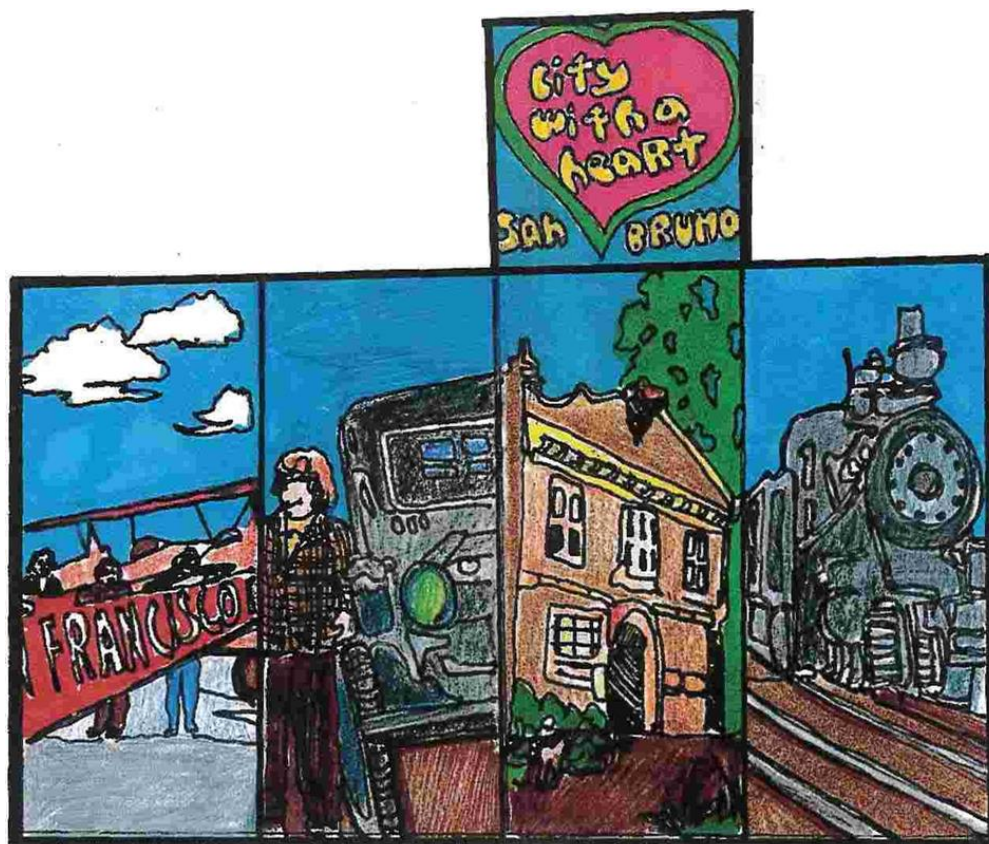

LOCATION: CRYSTAL SPRINGS ROAD & CUNNINGHAM WAY

THEME: HISTORY

LOCATION: SAN BRUNO AVENUE & 3RD AVENUE

This will be
a red plane
with no words
on the final design

THEME: HIGH TECH

LOCATION: SAN BRUNO AVENUE & CHERRY AVENUE
